

## GARDNERVILLE TOWN BOARD

1407 Highway 395 N.  
Gardnerville, Nevada 89410  
(p)775-782-7134 (f): 775-782-7135  
[www.gardnerville-nv.gov](http://www.gardnerville-nv.gov)

### Meeting Agenda

Mary Wenner, Chairwoman  
Ken Miller, Vice Chairman  
Cassandra Jones, Board Member  
Linda Slater, Board Member  
Lloyd Higuera, Board Member

Contact: Carol Louthan, Office Manager  
Senior for any questions or additional  
information. You may also view the  
board packet online at the town's website.

Tuesday, July 5, 2016

4:30 p.m.

Gardnerville Town Hall

### MISSION STATEMENT

*"The Town of Gardnerville provides high quality services based on community needs in a cost effective and efficient manner. We will strive to protect the community's quality of life while proactively preparing for the future. We will be accessible and fully accountable to our community."*

Copies of the finalized agenda were posted on June 29, 2016, on or before the third day prior to the meeting date, by Carol Louthan, Office Manager Signed: \_\_\_\_\_; in accordance with NRS Chapter 241 at following locations:  
**Carson Valley Chamber of Commerce**, 1477 Hwy 395 N, Gardnerville NV 89410 at \_\_\_\_\_:\_\_\_\_\_ A.M.  
**Douglas County Historic Courthouse**, 1616 8<sup>th</sup> Street, Minden NV 89423, at \_\_\_\_\_:\_\_\_\_\_ A.M.  
**Gardnerville Post Office**, 1267 US HWY 395 #L, Gardnerville NV 89410 at \_\_\_\_\_:\_\_\_\_\_ A.M.  
**Gardnerville Town Offices**, 1407 HWY 395 N, Gardnerville NV 89410 at \_\_\_\_\_:\_\_\_\_\_ A.M. and on the Internet at [www.gardnerville-nv.gov](http://www.gardnerville-nv.gov).

**Notice to Persons with Disabilities:** Members of the public who are disabled and require special assistance or accommodations at the meeting are requested to notify the Gardnerville Town Offices in writing at 1407 Highway 395, Gardnerville NV 89410, or by calling (775) 782-7134 at least 24 hours in advance.

**Notice regarding NRS 237:** The Gardnerville Town Board has adopted a Standard Policy No. 7, which contains a motion regarding Business Impact Statements (BIS). When the Town Board approves its agenda, it also approves a motion which includes ratification of staff action taken pursuant to NRS 237-030 et seq. with respect to items on the agenda, and determines that each Rule which is on the agenda for which a BIS has been prepared does impose a direct and significant economic burden on a business or directly restricts the formation, operation or expansion of a business, and each Rule which is on the agenda for which a BIS has not been prepared does not impose a direct and significant economic impact on a business or directly restrict the formation, operation or expansion of a business.

**Notice:** Items on the agenda may be taken out of order; the Gardnerville Town Board may combine two or more agenda items for consideration; and the Gardnerville Town Board may remove an item from the agenda or delay discussion relating to an item on the agenda at any time. All items shall include discussion and possible action to approve, modify, deny, or continue.

**Notice:** "Any invocation that may be offered before the official start of the Board meeting shall be the voluntary offering of a private citizen, to and for the benefit of the Board. The views or beliefs expressed by the invocation speaker have not been previously reviewed or approved by the Board and do not necessarily represent the religious beliefs or views of the Board in part or as a whole. No member of the community is required to attend or participate in the invocation and such decision will have no impact on their right to actively participate in the business of the Board. Copies of the policy governing invocations and setting forth the procedure to have a volunteer deliver an invocation are available upon written request submitted to the Town Board of Gardnerville"

### INVOCATION – Rob Simpson, Associate Pastor Valley Christian Fellowship

4:30 P.M. Call to Order and Determination of a Quorum

### PLEDGE OF ALLEGIANCE – Mary Wenner

### PUBLIC INTEREST COMMENTS (No Action)

This portion of the meeting is open to the public to speak on any topic not on the agenda and must be limited to 3 minutes. The Gardnerville Town Board is prohibited by law from taking immediate action on issues raised by the public that are not listed on the agenda.

### FOR POSSIBLE ACTION: APPROVAL OF AGENDA, with public comment prior to Board action.

The Gardnerville Town Board reserves the right to take items in a different order to accomplish business in the most efficient manner.

### FOR POSSIBLE ACTION: APPROVAL OF PREVIOUS MINUTES:

June 7, 2016 Regular Board meeting, with public comment prior to Board action.

**CONSENT CALENDAR FOR POSSIBLE ACTION**

Items appearing on the Consent Calendar are items that may be adopted with one motion **after public comment**. Consent items may be pulled at the request of Town Board members wishing to have an item or items discussed further. When items are pulled for discussion, they will be automatically placed at the beginning of the Administrative Agenda.

1. **For Possible Action:** Correspondence
2. **For Possible Action:** Health and Sanitation & Public Works Departments Monthly Report of activities
3. **For Possible Action:** Approve June 2016 claims
4. **For Possible Action:** Approve a special event application for an awareness walk and bike ride by Suicide Prevention, scheduled for September 10, 2016 at Heritage Park from 7:00 a.m. to 4:00 p.m.

**ADMINISTRATIVE AGENDA**

**(Any agenda items pulled from the Consent Calendar will be heard at this point)**

5. **Not for Possible Action:** Discussion on the Main Street Program Manager's Monthly Report of activities for June 2016. (approx. 10 minutes)
6. **For Possible Action:** Discussion to approve, Approve with modification or deny a request by Martin Stahl for a Master Plan Amendment and Zoning Map Amendment (DA 16-036 & DA 16-037) requesting to change the master plan designation from Commercial to Multi-Family Residential and to change the zoning designation from Neighborhood Commercial to Multi-Family Residential (maximum density of 16 units per acre;  $1.66 \times 16/\text{acre} = 26.56$  units; min net lot area = 9,000) The subject property is located at 1378 N Hwy 395, Gardnerville, in the Minden/Gardnerville Community Plan. (APN 1220-04-101-029); with public comment prior to Board action (approx. 45 minutes)
7. **For Possible Action:** Discussion to approve, approve with modifications or deny town policy 18.22 for major memorial requests; with public comment prior to Board action. (approx. 30 minutes)
8. **For Possible Action:** Discussion to approve or deny four (4) options regarding the possible acquisition from Spence Properties of the property containing 3.35 acres along Gilman Avenue, APN 1320-33-412-001, approved by the board at the May board meeting, in the amount of \$275,000;  
A) \$100,000 down payment with three annual payments at 5% interest financed by the seller;  
B) \$150,000 down payment with two annual payments at 5% interest financed by the seller;  
C) \$185,000 down payment with two annual payments at 3% interest financed by borrowing from the Valley Vision Fund on county approval;  
D) Because of the seller's change of terms offered by the seller's agent, which were relied upon by the board to approve the purchase at the May board meeting, a possible vote to reconsider the approval of purchase of the property followed by a vote to deny the purchase of the property; with public comment prior to board action. (approx. 20 minutes)
9. **Not For Possible Action:** Discussion on the Town Attorney's Monthly Report of activities for June 2016. (approx. 5 minutes)
10. **Not For Possible Action:** Discussion on the Town Manager's Monthly Report of activities for June 2016. (approx. 15 minutes)

2<sup>nd</sup> PUBLIC INTEREST COMMENTS period (No action will be taken)

Adjourn

Next monthly meeting August 2, 2016

Movies in the Park: July 8 - Minions  
July 29 – Star Wars The Force Awakens

Thirsty third Thursdays – July 21 – Super Heros

---

Tuesday, June 7, 2016

4:30 p.m.

Gardnerville Town Hall

---

**INVOCATION – Jim Beilstein, Trinity Lutheran Church**

**4:30 P.M. Chairwoman Wenner called the meeting to order and made the determination of a quorum**

**PRESENT:**

Mary Wenner, Chairwoman  
Lloyd Higuera  
Cassandra Jones  
Linda Slater

Michael S. Rowe, Town Counsel  
Tom Dallaire, Town Manager  
Geoff LaCost, Superintendent Town Public Works  
Carol Louthan, Administrative Services Mgr

**PLEDGE OF ALLEGIANCE – Lloyd Higuera led the flag salute.**

**(Technical difficulties prevented the taping of this meeting)**

**PUBLIC INTEREST COMMENTS (No Action)**

This portion of the meeting is open to the public to speak on any topic not on the agenda and must be limited to 3 minutes. The Gardnerville Town Board is prohibited by law from taking immediate action on issues raised by the public that are not listed on the agenda.

**No public comment.**

**FOR POSSIBLE ACTION: APPROVAL OF AGENDA, with public comment prior to Board action.**

The Gardnerville Town Board reserves the right to take items in a different order to accomplish business in the most efficient manner.

Mr. Dallaire wanted to make sure to correct the APN number on item 9. It should be 1320-33-412-001.

**Motion Higuera/Slater to approve the agenda with the correction to item 9. Motion carried with Vice-Chairman Miller absent.**

**FOR POSSIBLE ACTION: APPROVAL OF PREVIOUS MINUTES:**

**May 3, 2016 Regular Board meeting, with public comment prior to Board action.**

No public comment.

**Motion Jones/Higuera to approve the minutes of May 3, 2016. Motion carried with Vice-Chairman Miller absent.**

**CONSENT CALENDAR FOR POSSIBLE ACTION**

Items appearing on the Consent Calendar are items that may be adopted with one motion **after public comment**. Consent items may be pulled at the request of Town Board members wishing to have an item or items discussed further. When items are pulled for discussion, they will be automatically placed at the beginning of the Administrative Agenda.

- 1. For Possible Action: Correspondence  
Read and noted.**
- 2. For Possible Action: Health and Sanitation & Public Works Departments Monthly Report of activities  
Accepted.**
- 3. For Possible Action: Approve May 2016 claims  
Approved.**

4. **For Possible Action:** Approve the Town of Gardnerville's insurance renewal proposal from the Nevada Public Agency Insurance Pool (POOL) and payment of \$21,849.29 for fiscal year 2016-2017  
Approved.
5. **For Possible Action:** Approve the request by the Record Courier to become a sponsor for the "Newspapers in Education" program in a budgeted amount of \$150.  
Approved.

Motion Jones/Slater to approve the consent calendar. Motion carried with Vice-Chairman Miller absent.

#### **ADMINISTRATIVE AGENDA**

**(Any agenda items pulled from the Consent Calendar will be heard at this point)**

6. **Not for Possible Action:** Discussion on the Main Street Program Manager's Monthly Report of activities for May 2016.

Mrs. Linda Dibble gave a report on the main street activities.

7. **For Possible Action:** Discussion on request by members of Douglas County Search and Rescue naming the future dog park "Annie E. Thomas K-9 Korral Memorial Dog Park", memorializing Annie's service to our community as search dog handler with the Douglas County Sheriff's Office Search and Rescue and the K-9 Units. The current proposed name of the park was K-9 Korral; with public comment prior to board action. Presentation by: Merrilyn Noble & Don Stuckey, members of Search and Rescue

Mrs. Merrilyn Noble spoke on what a wonderful way it would be to honor Annie Thomas by having a dog park named after her. We're not proud and it doesn't matter how it is said, but we would love to be a part of this project.

Mr. Don Stuckey would like to do something for Annie. When we heard about this dog park we thought it would be a great fit. I'd like to just read a few things and go through her accomplishments. Mr. Stuckey gave background information on Annie E. Thomas. In these days of reduced volunteerism Annie stood out and made a difference which saved lives. It is our hope you will take this opportunity to honor an outstanding member of our community.

Mr. Ron Pierini, Sheriff Douglas County, shared 35 years ago we started search and rescue. The unit has done well. We are rated number one for the best search and rescue. These people really cared about Annie. They care about each other. They help every day. They receive about 70 callouts per year. Volunteers can make a difference. We have 240 volunteers in the sheriff's office. I drove by Wal Mart and saw that pond. It would be a plus for this whole community. I am hoping that you will come forward and allow us to name the area after her. We can raise money. I am talking about behalf and in support of some great people that are sitting behind me.

Chairwoman Wenner asked how they would raise money for Annie?

Mrs. Noble hasn't approached that yet. We can have somebody be in charge of it and publicize it to our group.

Sheriff Perini will find somebody to run it. There is enough people in search and rescue who can do it on their own time.

Chairwoman Wenner asked if the board had any questions. We don't have a policy to put up any signs or plaques. But we don't have anything that's ever been named after anyone. So is that something the board wants to discuss?

Mrs. Slater asked if everybody is aware of the alternatives. You have Main Street benches throughout town. Mary mentioned the water fountain. The south end of Heritage Park there are rock monuments as well as the benches. The Rotary Club put up the flag pole. Soroptomists have put in benches. There are alternatives that you might be able to expedite. Short of that it will take a meeting or two of this group to create some kind of a policy that may or may not be advantageous to you.

Ms. Carol Caman shared the dog piece was very important for us. It takes a lot to train a search dog. So it's important that it's about the dog.

Mrs. Slater reiterated we just don't have a policy in place yet.

Mrs. Jones suggested we could put a plaque at the park. There's no better way to thank her for her years of service. Putting in the plaque is an alternative versus naming the dog park. We don't have a policy for naming. The challenge is having a policy in place for next time somebody asks. I can't see us saying no. But we need the policy.

Mr. Higuera agreed Ms. Thomas is very deserving and what a great partnership to work with you people. I think we could get a lot done out there. I think it's worthy of discussing and expanding the policy. Right now we have plaques honoring various people. We can do that. But you're aiming at having the park named after her. I think it's worthy of getting together a policy.

Mrs. Slater added we don't even have a plan for that area as yet. We came up with a name that was community oriented, same as Heritage Park. It's not named after anyone. A memorial of that nature would be very fitting.

Mr. Higuera mentioned we've only recently decided to make it a dog park.

Mrs. Jones pointed out we need more than a water fountain. We need fencing for the dogs. In conjunction with Search and Rescue being able to push that forward, if this is taken under the wings of those types of organizations, we can accelerate it. We have opportunities for 50-50 grants.

Ms. Noble indicated they are a patient group. Being personally a member of the organization I would be more than happy to wait and help establish a policy. If that's what it takes I would say make a policy and we can have a park named after her and honoring her.

Mr. Dallaire explained in the dog park there are a lot of amenities. I don't know what the group's vision is for the park. \$10,000 was the most elaborate amenity item. What we talked about was a drinking fountain, toys and then a fence. So when you talk about fencing there are a lot of options. I did find out that Land and Water Conservation has a 50-50 grant and if the town deed restricts this to a park or detention pond then we can get it to work and get it accepted. The fencing we have discussed. We have put in a bench and some trees. Maybe there could be a plaque at the entrance or at the park.

Ms. Noble mentioned when we talked there was no clear direction for us to pass the hat. Then you came up with all of these ideas. There are priorities that need to be looked at first. Such as safety and then keeping things healthy, which is water. We start simple and go from there.

Chairwoman Wenner advised there is a neighbor at the detention pond that if we name it a park there would be a problem for him building a bar or casino. We do have prior minutes regarding him asking. He was worried about a fence too.

Mr. Higuera suggested a sign memorializing Annie and telling her story.

Mrs. Slater liked that idea.

Mr. Stukey likes both. But as far as raising funds to improve the park, my way of thinking is if the sign got up there and it was publicized I think the contributions would come. A lot of people respect Search and Rescue. It could be a sales job. I want both and let's advertise.

Ms. Noble commented we do have a Public Information Officer who is very much on our side. If she and the sheriff do publicity for us and this project, then there can be things publicized that would be helpful.

Mr. Perini agreed the PIO can do that, and the Record Courier. We have a lot of people that are volunteers. We have somebody with 30 years that did so much it we have to do something. I think that will make everyone feel better. So something like that would be a big plus.

Mrs. Slater pointed out telling her story goes a lot further than just putting her name on it.

Ms. Noble is here to help with the policy.

Mr. LaCost mentioned with five or six dogpots around the area it is being used as a dog park.

Mrs. Jones still believes we need to have a plan. If we can get a plan together I think the fencing is the first thing, water and then benches and signage. If we have a plan that says it's going to be a dog park and we are going to

honor Annie in it and make a policy on memorials, I think we have to have a clear picture of what we want and the way to fit Annie's memory in that. It is not the last time we will be asked to honor someone. I think we need a policy on memorial naming of facilities. I think we put this off and next month review a policy on memorial naming. Then maybe a follow-up agenda item on what the dog park looks like.

Mrs. Salter asked if this will give Mr. Dallaire time to address Mr. Jones' concerns.

Mr. Dallaire advised the word "park" is the problem. It is a problem when we go after funding. They want to fund a park improvement project. And Barry might be limited on his property because of that.

Mrs. Slater would suggest letting Mr. Jones know so he can be present and express his concerns.

Mr. Dallaire thought the property was zoned general commercial.

Chairwoman Wenner would like to table this item until we get a policy.

Sheriff Perini asked if there is a way to get the communication from your office to use so we can participate in the next meeting.

Mr. Dallaire will let them know.

Mr. Stuke asked if there is a boiler plate policy that some other city has adopted that could be adopted here.

Mr. Dallaire has searched and didn't find anything.

Mr. Higuera mentioned Mr. Dallaire is a master at coming up with policy.

Mr. Dallaire will put this on the agenda next month.

**8. For Possible Action: Approve donating the 1996 Ford Super Duty bucket truck to the Douglas County School District, or selling in the amount of \$2,000; with public comment prior to board action.**

Mr. Dallaire has been approached by the school district. They want to purchase the bucket truck. We can do whatever we want. We can donate it. It doesn't have to go to auction. There are a number of people in town that were waiting for it in auction, but the school district approached us. I talked with the TNT auctions and they recently sold a sister truck similar to Towns, from Carson City, for \$3,500. It depends on who wants it and who bids. The next auction is in October. So it will sit out there in the county yard.

Mr. LaCost pointed out the engine on the truck is questionable. I think we made the better choice to move on to another truck. We just need to decide what to do with this one.

Mr. Dallaire noted we use the truck every Monday through the summer months. The school district has it in the budget and Gary is willing to pay the \$2,000 or we can donate it.

Mr. Higuera thought if they have the \$2,000 in their budget we should take it.

Mrs. Jones felt we have a duty to wisely manage our resources and giving away \$2,000 isn't wise.

Mr. Kelly Kite paid a 30 percent fee for the property he sold. So you need to take that into consideration

**Motion Slater/Higuera to sell the truck to the school district in the amount of \$2,000. Motion carried with Vice-Chairman Miller absent.**

**9. For Possible Action: Discussion to approve or deny the purchase of a parcel of land containing 3.35 acres along Gilman Avenue/Ezell Street in the amount of \$275,000 over a four year period interest free of four (4) installment payments (1<sup>st</sup> yr, \$100,000, 2<sup>nd</sup> yr, \$58,333.34, 3<sup>rd</sup> and 4<sup>th</sup> yrs, \$58,333.33), owned by Spence Properties APN 1320-33-412-001; with public comment prior to board action.**

Mr. Dallaire went over where the property is located. The appraisal came back at \$275,000. I discussed with Ben that the property is in line with what we are offering. It is listed for \$330,000. But this was what was brought back if we

wanted to buy it. Since then we had a volunteer in Main Street that might be interested in buying it. I am hoping after tonight this is the way you want to go. There might be an opportunity to do their project. That might be something that is coming up. It's all tentative. In the meantime we have open space. This links all of the open space back to Heritage Park and Gilman Avenue. Right now we don't have access. The easement is granted specifically for the Canderles property. We would be able to complete the path, have direct access to the barns and provide for additional parking for events at the park. The pathway would give us access along the ponds and we wouldn't be relying on the driveway.

Mrs. Slater asked where Mr. Dallaire would suggest the access be on the parcel. Would you run it parallel with Canderle's driveway? I would not want to create an additional driveway. Could that be a concept?

Mr. Dallaire would get it away from the driveway altogether. The church's plans are to come off of Maple and Ezell.

Mrs. Slater asked if the church that bought the property was aware when they purchased the property that Ezell is only half the size of what it should be and part of the condition would be to put in the other half of that street.

Mr. Dallaire explained they are aware. I have talked about doing a dual entrance. There are other things we were thinking about doing with the property. We would be able to do a driveway all the way along and a walking path. That would leave 2.7 acres. Back in 2015 we were looking at doing a pelota court. We have presented this and had a committee that was meeting regularly who developed this concept. It was left at coming up with some type of elevations, but there is only a rough draft of the concept.

Mrs. Slater noted this is great for down the road. But what is your proposed funding.

Mr. Dallaire has some money left over in board designated. The \$100,000 will leave the budget down to about \$48,000. The hydrology analysis for the channel would not be able to be done at this time. The only thing left is the analysis on the Hellwinkel channel. Anderson will be doing a couple of these projects in the next few years. When they do the parking lot for the church they are building in a flood plain. They will need to do an analysis and we can tack onto that project. Also the Martin Slough channel is supposed to go from this point to Jakes wetlands. They will review the floodway analysis. Currently the trail is built on what ground is there today. I was hoping to tack onto that or the church project.

Mrs. Slater asked what the cost would be?

Mr. Dallaire thought \$48,000.

Mrs. Slater asked if that was something you would postpone.

Mr. Dallaire would end up taking money from maintenance. We are also \$24,000 ahead of what we budgeted. But we are still behind on the C tax. We can use it for property and we have \$80,000 that I didn't even account for from the 614 fund.

Mrs. Slater asked if there is a timeline we have to put in that side of the street.

Mr. Dallaire will have to see what happens with their development. There are a lot of things we can cut out.

Chairwoman Wenner asked if this was a joint venture with the basque community.

Mr. Dallaire answered yes.

Mr. LaCost mentioned with the church buying the other property that means we could lose the parking ability for Heritage Park.

Mr. Dallaire added if there was a funeral on the date of a park event we wouldn't be able to use the church parking lot.

Mrs. Jones asked if we made the \$100,000 payment, do we have enough in the budget to do the expected repair on the Toler/Toiyabe site?

Mr. Dallaire is getting a refund back of \$22,000 for the Sharkey's parking lot. So that's half. We do have some storm drain budget left.

Mrs. Jones asked if we get our board designated line item too lean then what happens when we have another emergency.

Mr. Dallaire has a spreadsheet that would explain everything in more detail.

Mrs. Jones is looking at fixing the pipe as not voluntary. Are there any other things coming up?

Mr. Dallaire will roll money from road maintenance for a larger project next year. We wanted to fix Service Drive. They are done with the PCI's and we will be better prepared in two years. We have \$20,000 coming back for reimbursement on the crosswalks.

Mrs. Slater felt if it's being offered interest free we should take advantage of it.

Mr. Dallaire believed the first year will be tight and it depends on when Rob will be able to do the floodway analysis. Either way he needs to include the Gilman ponds in his study. It's just getting the final topographical information.

Public comment.

Mr. Linderman commented about the easement on the property. It's an easement for the neighbor, so what is the restriction on that?

Mr. Dallaire explained we would have to allow them to continue using that. It is specific to Canderles' parcel.

Chairwoman Wenner asked if Ezell would still be one-way.

Mr. Dallaire answered yes. We would just do diagonal parking.

Mr. Linderman pointed out you are showing a separate driveway. That would be of benefit to the town. It would change the character of the driveway. If that's permitted under the easement it would be a practical solution.

Mr. Dallaire indicated it is just an access for this lot from Ezell. It benefits this parcel.

Mr. Linderman thought legally you would be trespassing if you walked down the driveway.

Mr. Dallaire shared either way I don't see a big use for this triangle.

Mr. Linderman thought if you didn't want to go off Gilman you could put it along the boundary and just use that as the access path.

Mrs. Jones really likes this. It is an interest free loan. I think the \$100,000 is a consideration for Spence to carry the note interest free. I like that you thought about flexibility; selling if needed. That quadrant will become the center of town. We are talking about the fronton and this facility. So it appeals to me that we think about it more broadly. I think if we need a real town hall with more offices and meeting spaces. That's a far better place to put it and then we have the other assets we could sell or trade off so we could develop a real town hall in the heart of what is becoming Gardnerville.

Mr. Dallaire advised if the church is talking about an 8,000 sq. foot structure, it just changed the Plan for Prosperity. That changes the feel of Gilman Avenue all together from what is presented in the plan. Gardnerville is going to be growing again in the future. We already have our seasonal office clerk working. Paula is in a small office. Geoff is in a tiny office. This gives us the ability in the future to grow and build a multi use building and town hall.

Mr. Higuera agreed we need to purchase the property.

Mrs. Slater felt if we get past the first payment I think interest free saves a lot of money.

Mr. Higuera trusts Tom.

**Motion Higuera/Slater to approve the purchase of a parcel of land containing 3.35 acres along Gilman Avenue/Ezell Street in the amount of \$275,000 over a four year period interest free of four (4) installment payments (1<sup>st</sup> yr, \$100,000, 2<sup>nd</sup> yr \$58,333.34, 3<sup>rd</sup> and 4<sup>th</sup> yrs \$58,333.33) owned by Spence Properties APN 1320-33-412-001. Motion carried with Vice-Chairman Miller absent.**

**10. For Possible Action. Approval of Resolution No. 2016R-033 augmenting the Town of Gardnerville budget for fiscal year 2015-2016; with public comment prior to Board action.**

Mr. Dallaire explained this is the \$23,000 coming from the Petroleum Fund. We will have more before the fiscal year is over. But right now we will just augment this so we can reimburse the funds we already used.

No public comment.

**Motion Slater/Jones to approve Resolution 2016R-033 augmenting the Town of Gardnerville budget for fiscal year 2015-2016. Motion carried with Vice-Chairman Miller absent.**

**11. For Possible Action. Approval of budget transfers for the fiscal year 2015-2016, with public comment prior to Board action.**

Mr. Dallaire mentioned last year we had an issue with being over in one fund. We were not over overall, but each fund stands alone. So we are not taking any chances. We are covering all the extra expenses. We haven't purchased a lot this year. The guys have been out once with the new crack sealer. We did the same with the health and sanitation.

No public comment.

**Motion Jones/Higuera to approve the budget transfers for fiscal year 2015-2016. Motion carried with Vice-Chairman Miller absent.**

**12. Not For Possible Action: Discussion on the Town Attorney's Monthly Report of activities for May 2016.**

Mr. Rowe has been working on the Village Motel boundary line adjustment and deeds. Marie asked me to check into was the McIninch bankruptcy. That is in real disarray. There were a lot of investors that never saw a dime. Bottom line we are not going to collect the money.

Mr. Dallaire mentioned the phase improvements haven't been approved. It's going to be a worse situation because the maintenance operation is every five years. It's never been accepted. That cracked sidewalk will be a requirement for the permit before it can be signed off.

Mr. Rowe finalized the garden lease agreement. The Main Street list is due the end of this month so Main Street nonprofit is filed. Tom had some questions on the bucket truck you approved to sell to the school district.

**13. Not For Possible Action: Discussion on the Town Manager's Monthly Report of activities for May 2016.**

Mr. Dallaire reported we received the preliminary easements from Lumos. The person in charge will be out for a few months so we are dealing with a new individual at NDOT. We got final approval from NV Energy on Kingslane. The Hellwinkel channel grass is growing.

Mr. LaCost advised we need to let it grow for the first year.

Mr. Dallaire has lot of things on the Great Race and not having Paula has been hectic. Scott Bergan has stepped up. He will be doing an interview tomorrow. Carol has been working with the county and WAM on our credit cards. We are working through those issues. We need to have the WAM program calculate the additional fees for the credit card use. We haven't gotten a response back from WAM yet. So we don't know what that will cost. We could use the county's, but it still does not allow automatic payments. This process is not as easy as the credit card folks led us to believe. We will keep moving forward. We can start charging for credit card purchases using the county's fees. We did have to let an employee go. He was still in the probationary period. We will have a temp working for a while. We've been going through a few options on the Toiyabe storm drain sink hole. We need to do a set of plans and just

replace the system through the yards. There are four property owners we will have to deal with, three RV pads, a fence and a diseased maple tree.

Mr. LaCost is thinking they may want to lean the fence so they won't go into the storm drain.

Mrs. Jones asked how long before you work on that.

Mr. Dallaire answered after June 19.

Mr. LaCost had the sink hole open just so the contractors could look at it. We do have the shielding now and we will budget that so we can get it squared away.

Mr. Dallaire has not talked to the person with the tree. We have a lot of things up in the air with the Great Race. Scott has been calling the forest service. They are doing some snow removal. So hopefully by Friday it will be cleared. As long as it is open I don't anticipate us having to clear that. We have a plan on parking areas in the field across from Heritage Park and using the church property. We have permission from them. I did get permission from Edith Hellwinkel to use her four acres. Gardnerville Elementary has parking. We will use Gilman for ADA parking. We also have permission from the community center to use Lampe parking. They will provide a bus service if we need it. Scott got permission from St Gall and the Methodist Church to use their parking. 1500 cars total is what all of the parking areas would hold. That doesn't include on street parking. The car show starts at 9:00. The Great Race folks will be here around 10 to start setting up. We will close the Gilman turn lane on 395 and then the detour is on Lampe from lunch through to whenever they tear down. Ted Nagel will be announcing.

Mr. LaCost handed out the notices today to the businesses and the Ranch development. A few days before there will be message boards on Gilman.

Mr. Dallaire hopes everything goes smoothly. We will be setting up the park and the tents on Saturday. The sprinklers will be off for Sunday and back on before everyone leaves. Scott is doing the car show registration. I have a list of tasks. Everyone is signed up for serving. There are quite a few jobs available. We have 40 some volunteers to date. We just wanted to know at the lunch stop does the board want to serve the race car drivers. That starts at 11:30 for the serving. We won't need everybody there. In the beginning we will. The Great Race staff will eat at 11:30 and set up. We are providing them with lunch as well and the racers. We have a high school girl doing the national anthem. Scott has a group coming up for the posting of the colors and then we have a list of people who will be talking. We have a Boy Scout troop coming. They will clean the lunch spots. I am hoping they will present all the trophies to the car show participants.

Mrs. Wenner asked how the people serving can tell who should be served.

Mr. Dallaire advised they have lanyards and plastic ID's that show they are a participant in the Great Race. Sertoma will be serving hot dogs, pulled pork and polish dogs. They are doing the beer wagon and the drinks for the volunteers. We will end up reimbursing them for the cost of the drinks. We will need to get soda and water for the drivers. Thursday night we will do a run through. Most of the car club volunteers will be handing out bags. We have cookies and dash plaques for the car show. We are hoping to get the photographers on board and they will have a website where the participants in the race will be able to buy the pictures from the photographer. I know Paula had me on the list for all the people who are speaking. There are 15 minutes in the beginning. But I thought I would read the "Take a Kid to a Car Show" proclamation or maybe someone from the board would rather do that.

Mr. Higuera will be there.

Mr. Dallaire continued: Gardnerville Water Company purchased barricades. We will put up the barricades on Friday for Carson Valley Days. We did provide them with flyers. We met with Larry Werner at breakfast. Larry is working on the bypass and it looks like it will be Muller Parkway.

Mrs. Slater asked about the rate study.

Mr. Dallaire will be coming back to the board on the rate study for health and sanitation. We are getting charged now from Bently to take greenwaste. I did meet with DDI and they are offering to lower their rate to \$75 a ton. But they want 100 percent of the trash. Then what do we do about Pinenut Road. I will meet with Minden and find out what their thoughts are. The \$75 doesn't really pencil real well. It's still a lot more cost. But I suspect Carson City will

be raising their rates soon. DDI has a tipper they purchased and it is in Carson City. It's just getting our trash to them.

Mr. LaCost reminded everyone about the 5k run.

Mr. Dallaire explained the path for the 5k run.

No public comment.

Tom Dallaire  
Town Manager  
1407 Hwy. 395 N.  
Gardnerville, NV 89410

Dear Tom,

On behalf of the Historical Society Board of Trustees and myself, I would like to thank you and the Town of Gardnerville for your continual and excellent care of the lawn and sprinkler system at the Carson Valley Museum and Cultural Center in Gardnerville.

The Town of Gardnerville has been supporting the Historical Society in this way for many years and it is a tremendous savings to the Society in our operating expenses.

I would like to say that Ron has been so pleasant to work with and is always aware of what is happening here with the lawn and sprinklers.

Thank you again for the Town's generosity and support. You are helping to give a future to Douglas County's past!

Sincerely,

  
Cindy Rogers  
Director

# Superintendent Town Public Works Monthly Report

## Public Works & Parks – 06/2016

- Flower baskets on 395 look good this year. We are watering two times a day and using a different fertilizer this year.
- The Great Race was a success in Heritage Park. With an estimated 2,500 people in attendance, there were few issues. One of the event personnel said “It was the best lunch stop in years”.
- Carson Valley Days barricades and event cleanup went smoothly. Thank you Gardnerville Water Company for letting us use your barricades.
- Benches and trash receptacles were delivered in preparation for the open space pathway
- Street sweeping was performed June 10<sup>th</sup> and 27<sup>th</sup>.
- Curbs and parking stalls were painted in the Heritage Park area for the Great Race.
- Tree branches were trimmed over sidewalks on Douglas, Mill, High School, Mission, and Eddy.
- The new work order system is providing valuable information on field crew tasks. Including weed abatement, time allocation, and cost analysis for projects and events.
- Annual flowers were planted on the Arbor Mailbox parcel. The plants are in bloom and make the corner really stand out. Approximately half of the Arbor Gardens residents visit this area daily.
- 3 Staff members were sent to a Weed Warrior Training for herbicide application and weed ID.
- We are trying to catch back up on weed management as we had to relocate priorities due to recent events. Thanks for being patient.

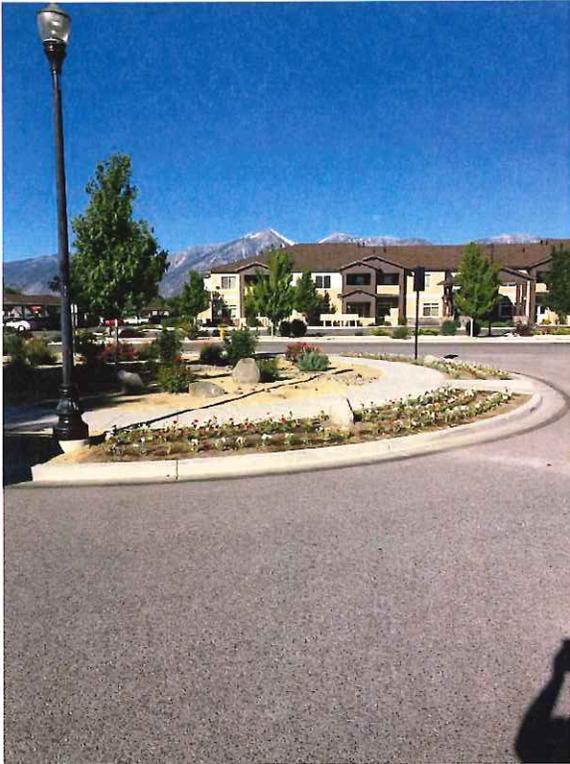

## Health and Sanitation – 06/2016

- A semi load of new 90 gallon totes will be delivered at the end of July.
- A semi load of 2 yard bins will be delivered in July. We are only replacing failing bins.
- The street sweeper was repaired after the water pump failed. Our own staff took the initiative to remove half the motor to repair the part. It works great and we saved money by doing it in-house. Thank you Jaired and Craig.
- An employee failed to complete his probationary period and was released from employment. A temporary replacement has been found and we are going through the official hiring process to fill the position.

## Engineering – 06/2016

- The Great Race took a tremendous amount of time in planning. The event turned out great.
- The Toler storm drain sink hole was temporarily repaired. We will be gaining additional bids for the project and plan on having the award on the August board meeting.
- Bids were collected and a 2016 Ram 2500 utility truck was purchased for the Public Works department in the 2015-2016 fiscal year. This purchase was on the CIP and under budget.
- Bids were collected for a new Utility Task Vehicle (UTV) similar to our current HP 4x4 John Deer Gator. We are planning on purchasing a new UTV in 2016-2017 fiscal year to help with weed abatement and a backup for watering the flowers on 395. If the current UTV fails without a backup we will be watering 2x a day with the arrow board truck in traffic.

## Main Street Gardnerville's Program Manager Report July 5, 2016

- I'll be a part of a panel speaking at the Nevada Economic Development Conference in Reno on September 22nd
  - This session will highlight best practices in downtown redevelopment and revitalization efforts in communities across the state. From rural to urban communities, hear how economic development practitioners bring transformative change to Nevada downtowns. Learn best practices, lessons learned and ways to implement in your own community without reinventing the wheel!
    - Barbra Coffee, CEcD, EDFP, Director, Economic Development & Tourism, City of Henderson
    - Michael Salogga, Business Development Manager, City of Carson City, Business Counselor, Nevada Small Business Development Center (SBDC)
    - Patrick C. Sinnott, Business Development Manager, City of Las Vegas, Economic & Urban Development
    - Pam Borda, Executive Director, Northeastern Nevada Regional Development Authority in Elko
- Majority of my focus has been on special events: Great Race; Freedom 5K, Wine Walks, Harvest Festival and Coffin Races.
  - One of our volunteers secured a \$1,000 sponsorship from **Vitality for Life at Carson Valley Medical Center** for our Coffin Races.
- Finalizing Details for our *"Picnic in the Park"* event to thank our volunteers and business members. We hope you're able to join us on July 17<sup>th</sup>, 1-4 pm at Heritage Park.
- Held a DHS Sidewalk Gallery reception in May (see photos attached)
- HPG Volunteers did a presentation on volunteerism to a "Partnership of Community Resources Teen Group" on Thursday, June 30<sup>th</sup> and then they did a project in the gardens afterwards.
  - Created a *"Tracey's Garden Library"* cart where people are welcome to check out a wide variety of gardening/landscaping books donated by Carol Sandmeier's niece who passed away last year.

**Tracy's Garden Library**

Greetings from a Class of 2015 alumnus! Just wanted to share a little personal example of how LDC has stuck with me. You may have met Paula Lochridge (of Main Street Gardnerville) by now. But just in case you haven't, she's the awesome manager of this wonderful downtown revitalization project.

I finally figured out a way to support the program, by playing music for Thirsty Third Thursdays wine walks with my friend Tom Martel (I'm the guy playing bass, and Tom is playing guitar in this photo from earlier this afternoon). We'll be playing at Joyce's Jewelry for the rest of these events this season, and you're welcome to drop in to say howdy (and to get your "bottomless" wine glass refilled!).

## Day 2 of the Great Race—Sacramento to Reno the Long Way

June 20, 2016

Since the idea of a time, speed, endurance rally for vintage vehicles is to challenge the drivers and navigators with a difficult route, we rarely jump on the interstate and follow a direct route from town to town. In fact, we might be within a couple hours of our next evening stop, but Rally Master John Classen sends the racers way out off the beaten path to ensure a challenging and scenic route. Today was no different, as we made the relatively short trek from Sacramento, California to Reno, Nevada, with a lunch stop in Gardnerville, Nevada in between. The morning route was full of twists, turns and elevation changes, so it gave the racers a real taste of what's to come on this Lincoln Highway-themed route. The final stretch into our lunch stop in Gardnerville, Nevada was incredible. Being in a massive valley, yet still being at nearly 5,000 feet of altitude was a bit deceiving, but it didn't throw off the racers, who had their cars tuned precisely for the conditions.

We spent plenty of time drooling in the museum, going from section to section to see what the next room held. Millions, upon millions of dollars worth of vintage iron fill the Reno-based museum, which is open 7 days a week for tours. At the end of the day, the competition was tough, but it was David Reeder and Sawyer Stone taking the daily victory in their 1916 Hudson! Check out our highlights and stay tuned for more!

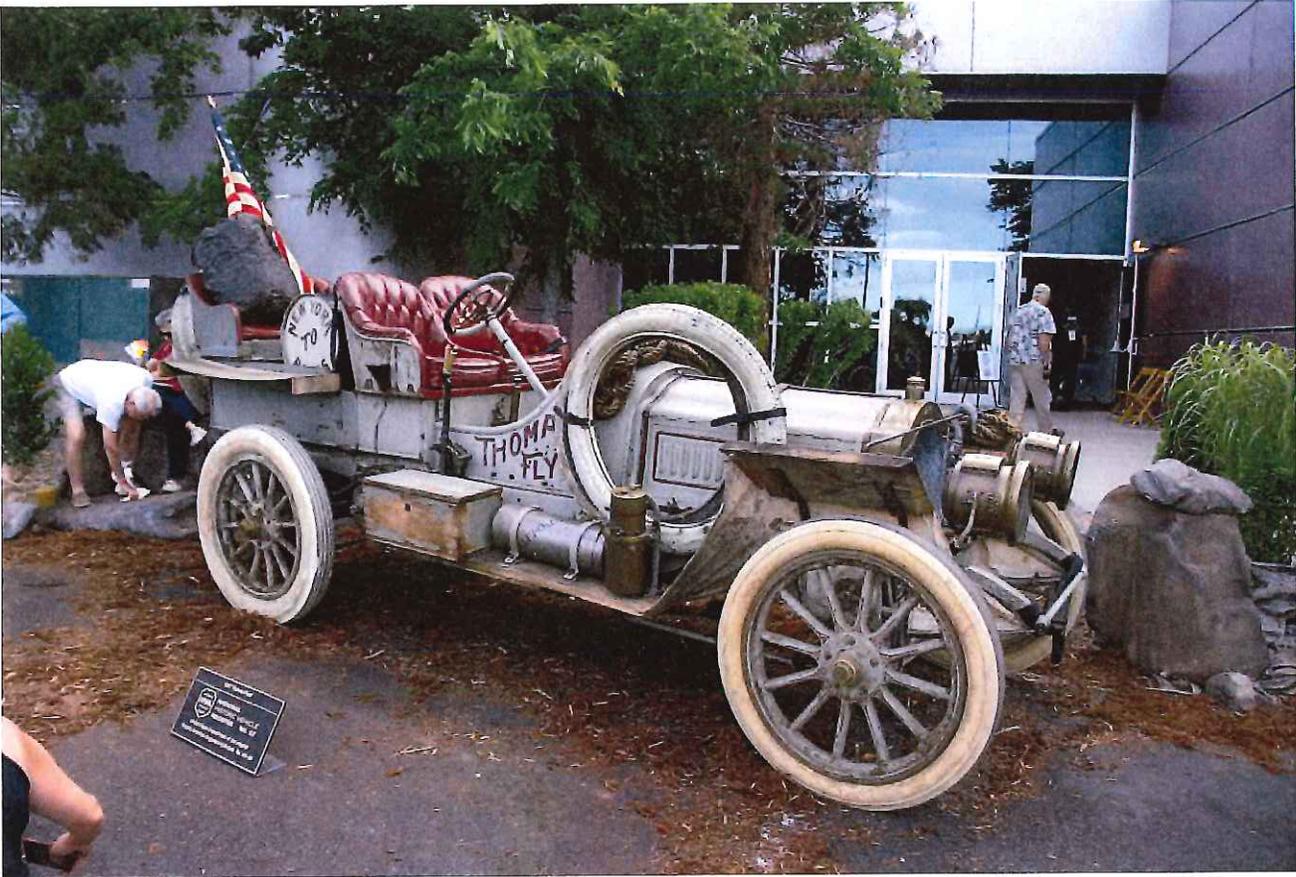

Team Toyota blazed a trail in the 1970 Corolla, driven by BMX pro Jamie Bestwick. Today's guest ride-along was professional snowboarder and all around athlete Amy Purdy.

Jamie Bestwick and Amy Purdy get their scores at the Reno, Nevada stop. These two were dressed to the nine's and clearly know how to have a good time on the Great Race!

The REAL DEAL!!! The Thomas Flyer, which won the Great Automobile Race of 1908.

# Gardnerville Town Board

## AGENDA ACTION SHEET

1. **For Possible Action:** Discussion to approve, Approve with modification or deny a request by Martin Stahl for a Master Plan Amendment and Zoning Map Amendment (DA 16-036 & DA 16-037) requesting to change the master plan designation from Commercial to Multi-Family Residential and to change the zoning designation from Neighborhood Commercial to Multi-Family Residential (maximum density of 16 units per acre;  $1.66 \times 16/\text{acre} = 26.56$  units; min net lot area = 9,000) The subject property is located at 1378 N Hwy 395, Gardnerville, in the Minden/Gardnerville Community Plan. (APN 1220-04-101-029); with public comment prior to Board action

2. **Recommended Motion:** < Move this to Next Month >

**Funds Available:**  Yes  N/A

3. **Department:** Administration

4. **Prepared by:** Tom Dallaire

5. **Meeting Date:** July 5, 2016 **Time Requested:** 45 minutes

6. **Agenda:**  Consent  Administrative

**Background Information:** The submittal came into the town this past month. This item will go before the Planning Commission in September. The town will hear this item in August. Douglas County staff is not available for the town board meeting and there are issues with the proposal we want to work through with the developer.

# Gardnerville Town Board

## AGENDA ACTION SHEET

1. **For Possible Action:** Discussion to approve, approve with modifications or deny town policy 18.22 for major memorial requests; with public comment prior to Board action.
2. **Recommended Motion:** Approve (with modifications as the board directed) Town Policy 18.22 Major Memorial Requests.

Funds Available:  Yes       N/A

3. **Department:** Administration
4. **Prepared by:** Tom Dallaire
5. **Meeting Date:** July 5, 2016      **Time Requested:** 30 minutes
6. **Agenda:**  Consent       Administrative

**Background Information:** Search and Rescue did a request to name a dog park after Annie E Thomas. Staff prepared a draft policy, and Search and Rescue staff did comment on the policy. Those comments were addressed and a revised copy was sent to Mike Rowe for review. After addressing those comments, a draft went to the town board members for further review and comment. I received the following comments and considerations for the proposed policies:

1. This policy is not good for the town and we should keep the naming of parks to historic town heritage, historic events or areas and neutral in nature.
2. Need clearer guidelines on when an individual should be memorialized.
3. Propose a higher financial obligation increased from 51% to at least 67% of the expenses.

7. **Other Agency Review of Action:**  Douglas County       N/A

8. **Board Action:**

- Approved       Approved with Modifications  
 Denied       Continued

**TOWN OF GARDNERVILLE**  
**TOWN OPERATIONS MANUAL**  
**DIRECTIVES AND PROCEDURES**

**Number 18.22**

**SUBJECT: Major Site Memorial Requests**

**Issue Date 7/05/16**

**Directive:** The Town shall follow the procedures below and describe conditions and establish criteria for placement of Major Memorials on Town owned property, other than Heritage Park, and for the naming of public facilities. Exceptions to the procedures may be authorized by the Town Board.

**Definitions:**

(1) *“Town Property”* means a parcel of land or improvement owned and operated by the Town of Gardnerville for and on behalf of public purposes.

(2) *“Facility”* means a building or structure located on a Town owned property, including but not limited to; office buildings, utility buildings, recreation facilities, pavilions, maintenance yard buildings, pathways, open space or structures used in town operations.

(3) *“Amenity”* means a smaller support structure located within a Town owned facility, such as benches, picnic tables, drinking fountains, trash receptacles, decorative light poles, gazebos or vegetation.

(4) *“Memorial”* means a facility or amenity placed within a Town owned facility or on Town property in remembrance of a particular resident or event. For the purposes of this policy, “memorials” also include features designated for purposes such as celebrations, or other special recognition. Memorials are divided into two categories: *(The value of a memorial will be determined based on the costs attributable to the project.)*

(a) *“Minor Memorial”* means an amenity or facility proposed for use as a memorial with a value of less than \$5,000. (see policy 18.23)

(b) *“Major Memorial”* means an amenity or facility proposed for use as a memorial with a value of more than \$5,000.

(5) *“Resident”* means a person residing or owning land within Carson Valley, Douglas County, or the Town of Gardnerville boundary, or a business located within said boundary.

(6) *“Plaque”* means a marker used to identify an amenity or facility as a memorial.

**Procedure:**

(1) All requests to place memorials on Town owned property shall be submitted in writing to the Town Administrative Office prior to the last Monday of the month to be on the next board meeting held the first Tuesday of the following month.

(2) Requests shall be evaluated as follows:

**Minor Memorials:** See policy 18.23 for minor memorial policy which does not need to go to the town board.

**Major Memorials:** Staff shall make a recommendation to the Town Board, who shall review all major memorial requests. Staff will forward a recommendation to the Town Board for consideration and approval or denial. The requestor will present the request to the town board for an open discussion at the town board meeting. The decision of the Town Board is final.

The criteria to be used to evaluate a major memorial requests shall include, but not be limited to, the following:

- (a) Whether the request for memorial includes the direct cost of the amenity or facility including design, purchase of the amenity or facility, installation, and whether any special maintenance requirements are being borne by the requesting party. Staffs time to coordinate the memorial and minor levels of effort to assist with design and installation may be borne by the Town.
- (b) Whether the memorial will interfere with the existing or planned design, function, or intended user experience of the area in which it is to be located.
- (c) Whether the placement of the memorial will create a condition in which a significant number of amenities or facilities within a Town facility or park are used for memorial purposes. The intent is to assure that placement of memorials will not detract from overall design, intended experience, vision or appeal of any park facility or property.
- (d) Whether the placement of the memorial is proposed to replace a facility or amenity currently serving as a memorial for another purpose. Only under extremely rare and unusual circumstances shall existing memorials be replaced by another memorial.
- (e) Whether the design of the memorial makes use of equipment, structures, vegetation, or features that are of similar quality and design to existing or planned standards for amenities or facilities within the Town.
- (f) Whether any identifying plaque or signage associated with the memorial is constructed of heavy duty, high quality bronze material, or other type of materials to be used and or constructed.
- (g) Whether the placement of the memorial will create an increased maintenance or long-term replacement burden on the town.
- (h) Whether the installation or construction of the memorial will be completed or overseen by trained individuals in consultation with Town staff, in accordance with all applicable master plans, codes, rules and regulations at the local, state, and federal level.
- (i) Whether the requesting party agrees and understands that all memorials become the property of the Town, and the Town shall not be required to replace any memorial or portion of a memorial that is vandalized, damaged, or stolen. The requesting party must also agree that the memorial may be removed, at the Town's sole discretion, if the Town Manager finds the removal to be in the public's best interest.
- (j) Whether public comment was received.
- (k) Whether the memorial request is partnered with a local community based organization.

**(3) Naming of Town Properties, Amenities, or Facilities:**

- (a) Consideration of the following in naming Town properties, amenities, or facilities is strongly encouraged:
  - i. Historical significance;
  - ii. Geographical identifiers;
  - iii. Natural characteristics, characteristic of the Carson Valley area, and;
  - iv. An outstanding feature of the property or facility.
- (b) All requests to name or re-name a Town property, amenity, or facility shall be made in writing to the Town Administration office following an event, activity, or occurrence that has generated the desire to name a Town property, amenity or facility.
- (c) Requests to name or rename a Town owned property, amenity, or facility shall be evaluated by staff to provide a recommendation to the Town Board. A denial of a minor memorial by staff may be appealed to the Town Board. The decision of the Town Board is final.

- (d) Generally, the naming of a Town owned property, amenity, or facility shall occur before or during development, and be the product of a public participation process.
- (e) For purposes of evaluation and recommendation, the naming of a Town owned property, amenity, or facility shall be divided into two categories:
  - i. **Service and Monetary Contribution.** A Town owned property, amenity, or facility may be named to honor a deceased resident, in recognition of that person's extraordinary volunteerism, employment, leadership, or similar service or non-monetary contributions to the community. The applicant should submit a letter providing a summary, including supporting documentation such as newspaper clippings, letters of support, or other relevant information, of the significant contributions to the community **and provide a contribution of at least 51% of the cost of acquisition, construction or improvement of Town property, amenity or facility requested for naming.**
  - ii. **Financial Contribution.** Consideration of naming a Town owned property, amenity, or facility, for a resident, Douglas County organization, or business that has given or offered to give an appropriate and significant financial contribution to acquire, construct, or otherwise enhance a town owned property. A significant contribution means a donation of at least **67% 51%** of the cost of acquisition, construction or improvement of the Town property, amenity or facility requested for naming.
- (f) Renaming of Town Owned Properties, Amenities, or Facilities. The Town of Gardnerville intends that the name on a facility be the permanent designation. Only under extreme or extraordinary circumstances shall facilities may be renamed, after a Board Discussion and consideration and approval of the Town Board.
- (g) Naming associations with tobacco, alcohol, contraceptives, religious organizations, political candidates or adjudicated felons are prohibited.

**Deviations from Policy:**

This Town Board may allow minor deviations from this policy if the Board finds that such deviation will further the goals and intent of this ordinance and will help further the mission of Town of Gardnerville.

## Dallaire, Tom

---

**From:** Moss, Mimi  
**Sent:** Tuesday, June 14, 2016 9:36 AM  
**To:** Gregory, Cynthia - Courts email; Dallaire, Tom  
**Subject:** RE: DOG PARK

Tom,  
After considering your comments, I would agree that the use of the property is for a stormwater detention pond, and that much of the area, depending on stormflow, may not be fully utilized for a dog park use in the future. In this circumstance, I would not consider the dog use as a "park" as referenced in the code, but rather an accessory use that might utilize the stormwater detention pond, depending on availability. Mimi

**From:** Gregory, Cynthia [mailto:cgregory@douglas.nv.gov]  
**Sent:** Friday, June 10, 2016 10:56 AM  
**To:** Dallaire, Tom; Moss, Mimi  
**Subject:** RE: DOG PARK

I'm assuming the zoning is Public Facilities. If so and the main use is for storm drainage, wouldn't the day-park use be an accessory use/accessory structure? Would the 500' still apply to accessory use?

**Thanks,**

**To:** Moss, Mimi <MMoss@douglasnv.us>  
**Cc:** Gregory, Cynthia <cgregory@douglas.nv.gov>  
**Subject:** RE: DOG PARK

Thank you Mimi. The town board has not formally recognized this site as a park. There is not even a sign.

So would the Off Leash/lead Area OLA, work and calling it a Dog Facility. It's a storm water Detention Facility and I want to make sure people do not enter the site when flooded.

So Far with the little development in the drainage area the water has yet to get to grass area. But there will be a time when it will get there once the other vacant properties are developed.

Thank you Both for your time on this. It seems like a minor thing. But Barry is concerned about this facility going in and then he would be limiting what he could build on his property.

Barry's property is zoned General Commercial. A bar/pub is allowed, however, it must be 500 feet from a park. The setback is measured from his building to your mutual property line. If you have already designated the site as a park, then he is already restricted. Nothing you do on the park site will change his zoning requirements. As I provided before, a dog park is allowed as part of your park use. Hope this makes sense. Mimi

---

**From:** Dallaire, Tom  
**Sent:** Tuesday, June 07, 2016 2:10 PM  
**To:** Moss, Mimi  
**Subject:** DOG PARK

Good Afternoon Mimi.

I presented to the town board the concept of Dog Park or Facility within the detention pond facility that Wal Mart dedicated to the town.

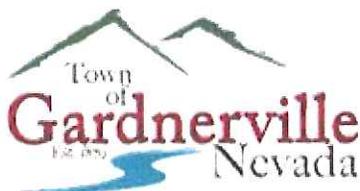

The town owns the property. Maintains the area.

I know Geoff has asked you about a dog park in the past as a leadership project. But I just wanted to very something with you.

If Barry Jones, the adjacent owner want to build a bar/pub with gambling on his parcel. Will the Dog Park cause a problem for him. Or can we just call it a dog facility? MY board is discussing tonight if they are willing to let the park be a memorial park or just amenities, which is what the town policies include, dedicating amenities and not the actual area. The town owns the facility, so the memorial portion of the park would be whatever is needed to create the Dog Park or facility.

Would Creating a dog park or facility be a problem for Barry ideas on the use of his adjacent property. I think if we jump through some hoops on land use deed restrictions I can get some grant funding from state lands LWCF which is a 50/50 grant.

Thank you Mimi.  
Have a great day!

# Gardnerville Town Board

## AGENDA ACTION SHEET

1. **For Possible Action:** Discussion to approve or deny four (4) options regarding the possible acquisition from Spence Properties of the property containing 3.35 acres along Gilman Avenue, APN 1320-33-412-001, approved by the board at the May board meeting, in the amount of \$275,000;  
A) \$100,000 down payment with three annual payments at 5% interest financed by the seller;  
B) \$150,000 down payment with two annual payments at 5% interest financed by the seller;  
C) \$185,000 down payment with two annual payments at 3% interest financed by borrowing from the Valley Vision Fund on county approval;  
D) Because of the seller's change of terms offered by the seller's agent, which were relied upon by the board to approve the purchase at the May board meeting, a possible vote to reconsider the approval of purchase of the property followed by a vote to deny the purchase of the property;  
With public comment prior to board action.

2. **Recommended Motion:** Based on Board discussion. Approve Option A \$100,000 down payment using \$100,000 from 610 Board Designated, at 3.5% interest for three additional payments.

Funds Available:  Yes       N/A

3. **Department:** Administration

4. **Prepared by:** Tom Dallaire

5. **Meeting Date:** July 5, 2016      **Time Requested:** 20 minutes

6. **Agenda:**  Consent       Administrative

7. **Background Information:** After the board approved the purchase of the property in the June Meeting, I signed the papers on the 13th for the property owner's review. The Realtor, Tim Egan, emailed the papers to Bob Spence to sign and he would not sign them. He wants 5% interest on the remaining money, (\$175,000).

## Town Manager Monthly Report July 2016 Board Meeting

- A. Gardnerville Station (former Eagle Gas):** NDEP continues to pay out of the petroleum fund for McGinley. NDEP also approved the work plan this month. McGinley is working on the bids package now and they will send that out to bid. Then get approval from NDEP for the contractor so the work can begin once again. Talked with Stantec about the site plans and storm drain plan for the site. I am gathering additional data for that to get that plan moving forward again.
- B. 395 Crosswalks:** We had to get our contract signed for finance for the Lumos consultant. Lumos continues to work on the improvement plans incorporating NDOT comments.
- C. Kingslane Sidewalk Project:** Still no comments back from NDOT staff on the project. Sent another email to the project coordinator about the need for the comments.
- D. Great Race:** Was very successful and went off without major hiccups. The car show was great and well attended and had an additional 10 cars come into the show the day of.
- E. Toiyabe Storm Drain Project:** - I need to work on plans for the work and coordinate with the property owners on the fence removals. We buried the pipe as it will all be replaced anyway with 24" HDPE pipe.
- F. Maintenance Yard Plans:** I have received some preliminary plans from ROA on the yard improvements. See the attached plans and let me know of any issues or comments you may have.
- G. Office Items:**
- Continued to work with Mike and Bill from ROA on the BLA (boundary line adjustment). Utilities are asking for more easements to be shown on the plan. We received comments back from the county and we need to add an irrigation maintenance easement to the old ditch and correct a few other things on the map. We have a check ready to give Dave once all the mylar's and deeds and easements are ready for signature.
  - Met with the park's and ROA with Minden staff to review the proposed master plan and zooming map amendment. Mimi has a list of deficiencies they want prior to accepting the application as complete. Mimi had a separate meeting with them this week to review those deficiencies. I am interested in talking with each of you one to two at a time to review what we have so far.
  - Met with Trinity Lutheran Church to discuss the shared costs and town responsibility. The contractor is giving us a formal bid on the Mill street and street light improvements.
  - Still no news from the county on the alley at the French bar. Doug is in the middle of several lawsuits. This will take some time for this to get to the top of his pile and they are down a couple of staff members.
  - Finalized the newsletter Carol has been working on. Focus is on emergency preparedness. Advertised programs from East Fork that is currently available to the residents.
  - Met with Minden staff and ROA about the proposed plan to increase the receiving area north and east of Gardnerville. The master plan update process is underway. Please get to one of the workshops and take the Master plan survey.
  - Credit cards for the Sanitation department are in the process of being connected. It will be slightly different and once we get the process started and we will use tablets to process the credit cards. This seemed to be the simplest way and we already have one table for work orders in the office that has a data plan for use offsite at the events.
  - There is a report attached to my report we were wondering if this is something the board members would like include in the monthly report. It will take staff time to prepare so we just wanted to see if this is something you want to see. We will be doing an annual report for the year-end report.

# Town of Gardnerville Work Items Cost Summary

5/31/2016 - 7/1/2016
