To Gardnerville Town Board

Community members are fortunate to have an exceptionally top staff in the office and out in the field. With so many here out of work and dealing with unemployment insurance, many people are out walking, seeing the neighborhoods and noticing the hard work of the Town Staff during this extraordinary time. Saw employees working hard under these recent difficult restraints. Good for all.....please write a letter of special acknowledgment for their personal resume files.

For their "one time lump sum", please have the payment be gift cards for any of our local Gardnerville restaurants and businesses which are just opening up under Phase 2 of the Governor's plan. This would be a positive recognition and help everybody.

Thank you for your attention,
Victoria J. Roberts

Gardnerville , Nv. 89410
